The Senior Class of Ridgeville High School presents The 1966 Panorama

Our pathways through high school have been memorable ones. We hope that through this book, we have portrayed the events of this year and of the past.

Because this is the last edition of the PANORAMA, the class of 1966 hopes that you will enjoy these pictures and all the memories of our school.

We are proud of our faculty, and the many other teachers before them who have inspired the students of Ridgeville High School to attain their aspired goals.

We now bring to you the 1966 PANORAMA of Ridgeville High School, Ridgeville, Indiana.
